

# School Daze

June 2014  
Volume 6

## End of the School Timetable

So the official end of the school year will be upon us on Friday July 25, 2014. We will be having our Show and Graduation Ceremony on:

Saturday July 26, 2014 at 12 pm.

This year for the first time we will be having a day time performance. This gives us a little more time to set-up and prepare for the show, and the kids are not so tired. We will be having a jumpy, a BBQ and fantastic entertainment plus, lots of time to share a drink and have a chat with some friends. All this will take place just in time for afternoon nap!

Our show is all about *Under the Sea* and I am sure you have been hearing the 'Slippery Fish' song around the house. As part of our end of year show we will be having a *Talent Spot* where each child will have the opportunity to showcase their talents. They can perform alone or with a family member.

The item can be a dance, poem, joke funny face anything they choose to do.

We will also be having our infamous potluck lunch which we will coordinate nearer the time.

We are all practicing really hard and costumes and sets are in full production.

We are also really excited for Shea who will be graduating soon.

## School is Closed Next

### Week

Next week we will be closed for vacation from Monday June 30 - July 4. Please make sure you clear all cubbies and hooks and take spare clothes home for a wash and change.

All day kids need to wash blankets and other bedding too. Please don't forget to bring them back after the break.

## Wind Chime Craft due July 19th

In May for homework the children made some great bird houses. July's homework is make a wind chime from everyday materials. Teaching the kids that we can recycle things and create something wonderful. The wind chimes have to be decorative and musical.

You can choose lots of different types of materials, the more innovative the better. Remember they are going to hang outside so metal, plastic and wood are the best materials to use. Happy Designing!
